## Commander's Column

April, wow... Rain, taxes, fools, almost enough to get you down but.... we all know that Spring will be here soon. There was a sign in Einstein's office that read "Not everything that counts can be counted, and not everything that can be counted counts." We tend to measure our Post's progress by what we count, membership, donations going out or coming in, how much money we have invested. But no number can measure the quality of our Post actions.

When we transferred Finance Officers we did not receive the cooperation that we hoped for from the former Finance Officer but Bob Parker and Larry Bryant stepped up and made a herculean effort to get the March payroll done on time and to get the accounting system to where we can get reports that can help direct what the Post should be doing. Thank you to both of you.

When I asked for volunteers to work the Charity Poker Night including the 7PM to Midnight shift there was no shortage of people. Eight different people dropped their names on a sheet and showed up. Rich Greenwald and Jim Nelson have shepherded the New Member Initiation Night to fruition.

We have members such as Bruno Maestri and Joe Hinton working bingo along side relative new comers Jim Sotirakos and John Cruz. Then we have the silent minority such as Dick Bernadini who has written more thoughts of the month for our newsletter than I can count. Dick also maintains the events board when you come into our lobby. He is willing to step into any position needed at a wake (accept the deceased). Joe Pappalardo, month after month, turns out a great newsletter and takes the rap for any errors others make (sorry Joe). House & Grounds Chairman Emery Wolf a year ago said he wanted to step down but as of now has not. (Thank you). Herb Morrison in March took the DuPage Convalescence Veterans to IHOP for breakfast. Nick Brescia has been a big help to Herb in making Herb's job a little easier.

I am sure that I am forgetting a dozen or so people who have stepped up in the past month and for that I ask your forgiveness. But the spirit of the American Legion is strong and well as people get involved in many of our projects. We are active in our schools, youth events, our community, and supporting each other. Let the Rain, Taxman, and Fools come because irrespective of how you try to count it we as a Post are rich beyond compare. Please remember to be kind. Woody

## CHAPLAIN'S CORNER

### Middle Age

God keep you from  
having to say something on every occasion,  
having to sort out everyone else's affairs,  
reciting endless details.  
God give you wings to get to the point.

God seal your lips on your aches and pains,

God keep you reasonably sweet,  
for a sour old person is one of the crowning works of the devil.

God help you to endure with patience others' tales of woe.

God give you  
an ability to see good things in unexpected places,  
talents in unexpected people,  
and the grace to tell them so.

God  
keep you from evil within,  
shield you from evil without,  
bless you with virtue and sweetness,  
aid you in times of trial.

God  
give you pluck and valor,  
bring you good health and good speech,  
save you for good and for God,  
the One and the Three who is love.

Celtic Blessings

## Legion Rider Update

The **American Legion Riders (ALR)** have been recognized as a National Program by the American Legion since adoption of Resolution No. 35 in October, 2007. Today there are more than 800 ALR groups at the Post, District and Department levels whose membership consists of members of The American Legion, The American Legion Auxiliary or Sons of The American Legion who share a common interest in motorcycle ownership and pleasure riding for veterans' causes. ALR groups exist in at least 48 states and three foreign countries and their growth over the last eight years reflects a genuine interest in ALR for both current and potential members of The American Legion Family.

The purpose of the American Legion Riders is to use their common interest and association to promote the aims and purposes of The American Legion as well as the promotion of motorcycle safety and awareness. The ALR have raised almost \$3,000,000 toward the estimated \$20 million needed to fully endow the American Legion Legacy Scholarship established to provide college scholarships to children of U.S. military personnel killed since Sept. 11, 2001. At the local level ALR group contributions or volunteer hours support the programs of The American Legion. Learn more about the Legion Riders on the American Legion web site at: <http://www.legion.org/riders>

The **Post 80 Legion Riders** meet once a month, usually on the third Saturday at 10 am in the Library. Our next Legion Rider meetings are on **April 17th** and **May 15th**. If you are interested in joining us, please plan to attend or contact Steve Collins, Legion Rider Director at 708 473-5620 (cell) or Jack Border at 630 336 3421 (cell).

Mark your calendars for May 30th. I am planning an outing for all post and auxiliary members including their families and friends to attend the ball game with the Kane County cougars. The Game starts at 6:00PM. This would be a fun time for us all. There will be fireworks that night. If we get twenty people or more the box seats is \$12.00 per person. And, we can have a charter a bus to take us to the game and return us to the post.

**The cut off date is April 16th** to purchase your box seat tickets. Please make checks payable to American Legion Post 80 for \$22 per person, which includes the cost of transportation (\$10.00 for chartered bus).

The incentive to purchase tickets by April 16th is four undated tickets good for any game for the rest of the season. Two pair of these tickets will be raffled off on Game Day to all who attend. So get your money in ASAP.

## Thought You Would like to Know

At the March General Business meeting a vote was taken and passed a Resolution to send \$1,500 to Operation Support Our Troops which send packages to our men & women in the services to support the Lt. Dan Band Concert. Last year a little over a quarter of a million dollars was raised and we were a part of it. Woody

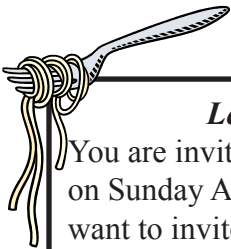

### Poker

As many of you know we have had Charity Poker Games at the Post over the past two years. The Legion had four games and the Knight of Columbus had four games last year. This year we were to have four games with the Ladies Auxiliary having four games. On March 11th I spoke with Carol of the Village (she is the liaison between the Liquor Control Board and Legal) who told me that Village ordinance prohibits having a liquor license and gambling except bingo, pull tabs and jar games.(Section 3.33 Prohibited activities on licensed premises.)

Thus, I have written to the Mayor calling on his good offices to see if there is anything that can be done to change the Village ordinance. We have had nothing but cooperation from the Village and there is no reason to believe that this will not continue. Wanting to be in compliance with all Village, State, or Federal rules I have spoken to Ken of Chicago Charity Poker and we have put the poker dates on hold. – Woody

### *Legion Riders Spaghetti Dinner Fundraiser*

You are invited to the Legion Riders Spaghetti Dinner Fundraiser on Sunday April 18th, from 1 p.m. to 5 p.m. The Legion Riders want to invite all Post 80 and Auxiliary Unit 80 members and family to our Spaghetti Dinner fund-raiser. Dinner tickets are \$6/ adults and \$4/children under 10 and Dessert \$1 and cash bar. There will be a raffle for a 20 speed Mongoose Mountain Bike at dinner as well as raffle drawings for themed baskets.

## Auxiliary News

At its March 15th meeting, American Legion Auxiliary - Unit 80 completed the review process to reaffirm administrative choices made by the Unit in its Constitution and Bylaws as well as making required changes to update the Standing Rules to bring them into compliance with Department. The Unit will meet in the Post Library and vote by ballot on the recommended changes at the April 19th Unit meeting. This will enable Unit 80 to complete and submit the updated Constitution and Bylaws to Department by the May deadline.

Please note, Auxiliary dues for 2010 must be paid by 3/31/2010 in order to be eligible to vote on the Constitution & Bylaws changes as scheduled at the meeting on April 19th.

The District 11 Gold Star Lunch/Mid-Winter meeting was held in Huntley on March 6th with Pegi Castle and Electa Finley representing Unit 80. The Division Poppy/Mid-Winter meeting was held on March 27th in Lockport with Karen Greenwald and Pegi Castle representing Unit 80.

The 82nd Annual Patriotic Conference was held Wyndham Lisle Hotel & Convention Center on March 19th as part of the American Legion Auxiliary's 90th Anniversary celebration. National American Legion Auxiliary President Rita Navarrete made her official visit to Illinois as part of the conference events and Unit 80 members Evelyn Fredericks, Arlene Guest, Marge Pavich, Julie Isenberger, and Karen Greenwald participated in the conference.

## Memorial Day Plans

As many of you know, the Park District has demolished the band shell at Fishel Park - the site of our Memorial Day observance for many years. I have been in contact with the officials at the Park District throughout the spring to determine whether Fishel Park will be available and, if so, what will it look like. I can report that the most recent information I have leads me to conclude we will be able to have our parade and memorial service as we have in the past and utilize Fishel Park. At a minimum, there will be a graded pad made of gravel where the bands shell stood and there will be electric hook-up for the sound system. There is also a good chance there will be a portable stage for our use. Since we have always had a strong turnout from the community and the setting has been ideal, we will plan to conduct Memorial Day with the usual downtown Main Street parade and ceremony at Fishel Park. I anticipate a successful Memorial Day and Woody has assured me it will not rain.

THOUGHT\* OF\* THE\* MONTH:

Handicapped Parking

>>The U.S. has made it better for handicapped persons than most any other country, but the system has problems, it isn't perfect.

>>The "Americans with disabilities Act" of 1990, had good intentions of getting persons who needed help, closer to entrance doors, but are too many spaces sometimes being set aside for the handicapped in places??

>>The handicapped parking idea is good, but not well enough watched.

>>My wife and I, are both 80 with some walking difficulties, but we don't qualify!! So this got me to watching these spaces more closely and I am not entirely pleased with what I see.

>>At the mall I watched as people pulled in and out of handicap spaces. Only a few had stickers, and even fewer had handicap license plates.

>>License plates generally have wheelchair symbols on them, but I did not see a single wheelchair that day.

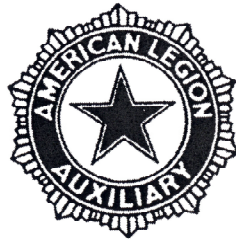

>>At the RR station there were 3 Hdcp. spaces. 2 had cars with stickers. The other did not. A man got out of that one and went to the station without a limp or walking aid of any kind. Guess his handicap was mental.

>>I actually know someone who borrows her sister's sticker for shopping!

>>At many stores, people park in the fire lane (even closer than the handicapped spaces!!), probably expecting to get in and out real quick!

>>The handicapped spaces at the Legion seem to be reserved only for legion members (without handicaps, of course)!!.....RWB
