MARCH 2024

Commander's Column

It looks like winter has not given up yet, so stay warm and be careful, I recently returned from a short stay in Florida, and it has been mentioned that the cold weather returned when I got back, I feel bad about this and have offered to return if someone paid for the Trip. So far I have had no takers, but the offer still stands. \ March will be a busy month. Daylight saving time returns on March 10TH. There is also an Eagle Scout ceremony on that day. Troop 80 is a very active troop and has been a big help to the Legion. Everyone who is a part of the Troop deserves a big thank you from us.

We also have another Poker event on March 18th.anyone who can be the legion rep for a three hour shift please let me know. The new member initiation is on Saturday the 23d.

Financially, the Post is in good shape. Bingo has been had good crowds and we could always use help. Stop by on Tuesday and see what's going on and consider volunteering. It can be a good time and those of us there will make sure you feel welcome.

As we look forward to spring, we hope to see you at the Post.

A Veteran's military service memories, captured in their own words and photographs, is one of the most valuable legacies a former service member can provide for his or her family. Reading about what Veterans did to serve their country allows family members and future generations to understand and appreciate what they went through to provide the freedoms we all enjoy today.

Togetherweserved.com (TWS), an online community with a membership of over 2.3 million U.S. Veterans, has been preserving the military service stories of its Veterans for over 20 years. TWS is seen as an important archive of living military history.

By way of a guided questionnaire and a specially designed interface called 'Service Reflections,' TWS makes it very easy for Veterans to record memories of key people and events from their military service. Their service story comes to life by simply answering one question at a time to which they can add accompanying photographs.

The result is a beautiful 12-inch-wide presentation of a Veteran's entire Military Service Story, from enlistment to separation, complete with their personal Military Service Plaque. Veterans can download and save the plaque as a PDF file or share it with family and friends via a personal web address.

One Veteran who has appreciated this free service is retired Marine LCpl Ramon D. Arredondo, who served from 1968 to 1972.

"My story is a humble one," Arredondo said. "I served my country and had a few moments of valor and virtue. But since all of us will fade into the pages of history, virtually unknown, Together We Served has allowed me to tell my story of duty, honor, God and country, for which I am very grateful."

Meanwhile, Togetherweserved.com has been collaborating with VA by hosting a monthly competition, promoted through the weekly #VetResources newsletter, encouraging Veterans to write about a specific memory from their military service. Over 6,400 exceptional stories have been submitted since the Military Memories competition commenced in February 2023. All 55 winning entries can be viewed at on the TWS blog.

Victory at Home: 1941-1945

March 1 - August 18, 2024

Spurred by the attack on Pearl Harbor in 1941, the United States entered the Second World War. President Roosevelt urged every citizen to answer the call to fight, whether overseas or at home. The exhibition, Victory at Home: 1941-1945, will explore the national effort to support the military during the war. This resilient and steadfast generation of civilians helped lead the Allies to victory through united efforts such as rationing, women in the workforce, increased war production, purchasing war bonds, and so much more. These efforts taught Americans how to economize, to alleviate the domestic hardships and mental fatigue a nation at war often experiences. The exhibition will include compelling artifacts, photographs, and interactive audio-video stations with hands-on experiences to demonstrate the significant contribution Chicagoland residents, including those in Elmhurst, had on the home front effort.
