Commander's Column

George Carlin once mused, “What is the plural of ‘a hell of a guy’? ‘Hells of guys’?” In either case our post has them in abundance. With your permission I would like to acknowledge some of the things that happened in September. In another article, I thank individuals for their efforts during the Labor Day Picnic. But if it were not for Dick Rooney, Emery Wolff, Rich Greenwald, and Dick Bernadini, and all who brought side dishes, we would have had no picnic. Then on September 18th a group of Post members took veterans from the DuPage Convalescence Center to breakfast. Again this happened because of people like Herb Morrison, Nick Brescia, Toby Vukasodic, Todd Hanson and Bob Cormack. If I left anyone out it is because I was not there and hopefully there is an article thanking these individuals. Then there was the POW MIA Dinner that simply would not have happened if it was not for Nick Brescia & Ron Czech. At the Downers Grove Heritage Fair Dick Bernadini shows a bumper sticker that says “POW’s Never Have A Good Day.” Until we account for every MIA, we will never rest in getting a full accounting of these men and women. Larry Bryant and our Honor Guard presented the Colors. They did a great, not just good, job.

As you read this the Vietnam Memorial ‘Moving Wall’ is either on its way to our Post or is already here. Please come and see what we have worked for in the past year. The length of the list of people to thank is mind boggling. George Carlin observed that “the caterpillar does all the work, but the butterfly gets all the publicity”. Well, we are infused with caterpillars. It has taken an incredible number of people to have pulled this off and it is only fitting that before anything can go wrong I recognize them. Emery Wolff who planted the seed of getting the Wall to the Post to Rich Mueller who started an email campaign to raise funds to Bruce Peiffer who arranged for the driver and his wife to stay at the

Double Tree Hotel in Downers Grove all deserve a lot of the credit. Further acknowledgement goes to Emery Wolff and Jim Nelson for taking care of the money, and Emery, Jim and Ed Ludwig for sighting the elevation and where the Wall was going to sit and building the toe rail. Thanks to Joe Pappalardo, Elmer Mears and Todd Hanson for handling schools and Public Relations, Larry Bryant for the coordination of the 24-hour a day guard duty, and Steve Collins for coordinating the procession of the Wall through Downers Grove.

Joe Pappalardo volunteered to arrange the lunch and dinner for the volunteers (talk about a thankless task) and working with the village. Howard Parker and Jack Border have lent to our library items that they wore and received while in Vietnam. I would be remiss if I did not let the Women's Auxiliary know how much their \$1,000 donation and constant support mattered. I am proud that we are all part of the Legion Family. All deserve a round of applause.

It is sad but the wall does not show the total cost of this war. We have veterans dying each day from the effects of Agent Orange and other issues; their names do not show on the wall.

Next month I will recognize the non Legion people who help make the Wall a reality in Downers Grove.

In essence, these are your projects and all the credit for the success goes to those above along with others that I missed. If something goes wrong or there is a failure of any kind it is 100 percent mine. Thank you in advance for all your help. Now come out to see this tribute to those who gave their last measure but will not be forgotten. Please remember, be kind to each other. Woody

POST 80 HISTORY IN THE '70's

The “FREEDOM FLAME” was a project of the Downers Grove JayCees in the early 1970's. The JayCees funded and built a memorial located near 39th and Highland Ave. just south of Fire Station No. 3. The memorial was a natural gas burning flame with a shield and plaque dedicated to Timothy Bodden, a Downers Grove soldier missing in action since 1967, and all other MIA's of the Viet Nam War. The Flame was to burn until all POW's & MIA's were accounted for. In 1974 the energy crisis of that time caused the flame to be turned off. Several attempts were made over the years to relight the flame but costs kept rising and the Jaycees were disbanded. In 1983 members of Post 80 tried to raise funds to relight the flame but by this time fuel costs and liability insurance had gone too high and again the memorial laid dormant. To add even more insult to the memorial in 1986, it was hit by a car and the burner and plaque were broken.

In 1988 the Village was remodeling the Fire Station at 39th and Highland and the parking lot was being expanded. The memorial now in disrepair had to be removed.

Once again the American Legion became involved with the orphan memorial. Working with the Village of Downers Grove, the Park District and the Fire Department a solution had been reached.

Since many of the parts to the original memorial were now also missing, plans for a new memorial were made. The remaining parts of the memorial were removed from the 39th and Highland location to allow the fire station to complete its remodeling. The Village refinished the wind shield and a new plaque was made, with the cost being shared between the Legion and the Village.

The new memorial was placed south of the band shell in Fischel Part and dedicated on Memorial Day 1989.

The wording on the memorial in Fischel Park was prepared by Herb Morrison and Dave Wisbrock. Sorry I didn't have a photo handy of the newest memorial. The wording is:

IN HONOR OF THE MEN AND WOMEN OF DOWNERS GROVE
WHO ANSWERED THEIR COUNTRY'S CALL DEDICATED IN
MEMORY OF TIMOTHY BODDEN MIA VIET NAM 1967 AND ALL
POWs AND MIAs FROM ALL WARS May 29,1989

PART 2 - THE PREAMBLE TO THE CONSTITUTION OF THE AMERICAN LEGION “TO MAINTAIN LAW AND ORDER”

From an article in the October 1940 issue of The American Legion Magazine written by Kent Hunter.

When the founders of the American Legion put To Maintain Law and Order into our Preamble, second only to that pledge to uphold and defend the Constitution of the United States of America, they eternally pledged The American Legion to uphold the precepts of fundamental Americanism.

These five words pledge each Legion member to the following:

- 1- To recognize and fulfill the duties and responsibilities of Citizenship. There was not, is not and never will be any mandate to any Legionnaire to follow dictates of a political party, but there was, and is, and always will be a mandate to all Legionnaires to participate in government. There is and always will be a summons to all Legionnaires to aid in selecting public servants by ballot, who will follow the broad outlines of government defined in the Constitution of The United States of America.
- 2- To demand that elected public servants, once chosen, remain true to their trust. Integrity must be maintained. Legislative, judicial and executive government departments must be constantly under observation and control of the electorate.

To Maintain Law and Order, does NOT mean:

- 1- That the American Legion shall assume police power. Our government provides for enforcement of law by constituted authority only. Unauthorized assumption of law enforcing power by private organizations sets an example that violates the fundamentals of true law and order.

Continued

2- That The American Legion may refuse to accept a legal call to duty, in time of peace, from constituted authorities.

The American Legion has backed, with all its power, the federal, state and local law-enforcement agencies. (during the Great Depression, Post 80, at the request of local authority assisted in the patrolling of Downers Grove causing a sharp decline in petty crimes). The American Legion has held fund raisers and special events to raise funds for needed supplies for local police and fire departments. The American Legion has never assumed police authority, and never will.

The American Legion, with full faith in the Government of these United States, does not believe that the small percentage of men and women who constitute the criminal element can ever vote criminal control to power. It is up to all citizens to do their best in selecting proper individuals to represent us in government positions.

The American Legion will never accept domestic or international lawlessness and disorder, in control of our country.

To Maintain Law and Order, means in summary:

To control ourselves as individuals.

To control our public servants, who represent us.

To control our governmental policies through our elected public servants.

To maintain the American form of government, of the people by the people and for the people. Dave Wisbrock, past commander.

On August 23rd, Eagle Scouts **Matt Kennedy** and **Mike Jones** were presented with Eagle plaques – the highest rank advancement in Scouting –at Troop 80's "**Eagle Scout Court of Honor**", in our Legion Hall.

Troop 80 has been sponsored by our Post for at least 72 years, and we are very proud of their service to, and with us these years.

Long ago we lost count of the number of plaques we presented to them, but at last count, it was over 75!! We hope to continue our sponsorship for a long time.

Congratulations, again, to Matthew and Mike, and to their success in their future plans with the Troop, and in life.....

Fall Back, Change Your Clock

Don't forget the turn your clock back one hour before turning in on Sat., October 31. Daylight Saving Time ends at 2:00 am November 1

Change the Clock Change your Battery

The Downers Grove Fire Department recommends you change the battery in all smoke detectors in your home when you change the time. A working smoke detector more than doubles your chances of surviving a home fire.

THE MOVING WALL

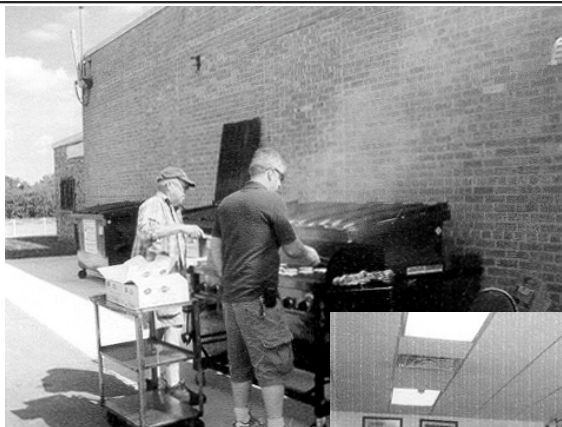

Don't forget "THE MOVING WALL" will be at the Post 80 on October 1st thru October 5th. Ceremonies on October 2nd, be there and represent Post 80. All Legionnaires and Ladies Auxiliary members are encouraged to attend.

Labor Day Picnic

This may be the most dangerous column I have written since becoming Commander. The danger is that I will forget to thank someone who worked like a dog on the Labor Day Picnic. So if I overlook you, please feel free to bring it to my attention and accept my apology (but please do not wet my leg). First thanks go to the hunter gatherers, Rich Greenwald and Emery Wolff for braving Sam's Club on a Saturday morning. Then there were the tenders of the hearth (cooks) Emery Wolff fixed the Brats, Dick Rooney, John Souper and friend (Andy) for the pig and chickens, Ed Ludwig for the burgers, Dick Bernardini for the corn and Rich Greenwald for fixing what ever was needed. Of course at a feast you need entertainment Rich Mueller provided the balloons and kid games. Clean up (no small task) two groups stand out in my mind; the Ladies Auxiliary (Leora Novak, Rosemary Collins, Karen Greenwald, and Kim Cruz), and Stacy McDonald and Jack Border of the Legion. And of course all who brought a side to go with the feast. The pot luck tables were as bountiful as you could wish for. All in all we fed about 400 people. I am sure that I am forgetting a key person or two, but last but not least thank to each of you who came and are members of Post 80 family. Woody

POST 80 Board of Directors Now Hear This!

There will be no Board meeting on November 25, 2009. Why you may ask? I would answer this the night before Thanksgiving. Spend it with your family, or a loved one, or one you would like to love. Given peoples' family plans, it only makes sense to cancel this meeting. Woody

OCTOBER 2009

THOUGHT-OF-THE-MONTH:

Recently Deceased: *Bill Westrup, (Legionnaire)*
VS *Ted Kennedy, (Politician)*

He was getting old and paunchy
And his hair was falling fast,
And he sat around the Legion,
Telling stories of the past.

Of a war that he once fought in
And the deeds that he had done,
In his exploits with his buddies;
They were heroes, every one.

And 'tho sometimes to his neighbors
His tales became a joke,
All his buddies listened quietly
For they knew where of he spoke.

But we'll hear his tales no longer,
For ol' Bill has passed away,
And the world's a little poorer
For a Soldier died today.

He won't be mourned by many,
Just his children and his wife.
For he lived an ordinary,
Very quiet sort of life.

He held a job and raised a family,
Going quietly on his way;
And the world won't note his passing,
'Tho a Soldier died today.

When politicians leave this earth,
Their bodies lie in state,
While thousands note their passing,
And proclaim that they were great.

Papers tell of their life stories
From the time that they were young
But the passing of a Soldier
Goes unnoticed, and unsung.

Is the greatest contribution
To the welfare of our land,
Some jerk who breaks his promise
And cons his fellow man?

Or the ordinary fellow
Who in times of war and strife,
Goes off to serve his country
And offers up his life?

The politician's stipend
And the style in which he lives,

Are often disproportionate,
To the service that he gives.

While the ordinary Soldier,
Who offered up his all,
Is paid off with a medal
And perhaps a pension, small.

It's so easy to forget them,
For it is so many times
That our Bills and Jims and Johnnys,
Went to battle, but we know,

It is not the politicians
With their compromise and ploys,
Who won for us the freedom
That our country now enjoys.

Should you find yourself in danger,
With your enemies at hand,
Would you really want some cop-out,
With his ever waffling stand?

Or would you want a Soldier—
His home, his country, his kin,
Just a common Soldier,
Who would fight until the end.

He was just a common Soldier,
And his ranks are growing thin,
But his presence should remind us
We may need his like again.

For when countries are in conflict,
We find the Soldier's part
Is to clean up all the troubles
That the politicians start.

If we cannot do him honor
While he's here to hear the praise,
Then at least let's give him homage
At the ending of his days.

Perhaps just a simply headline
In the paper that might say:

"OUR COUNTRY IS IN MOURNING,
A SOLDIER DIED TODAY."

***We will miss you, Bill, &
all Deceased Veterans.***
